

MicroFlip Screen

Ultra-Portable Front Projection Screen with
StarBright7 Material

User Guide

Attention:

The StarBright7 screen material used in the MicroFlip Screen is composed of high quality sensitive multi-layer projection material.

Please follow the pre-cautions below for proper care procedures and to prolong the life of your StarBright7 material.

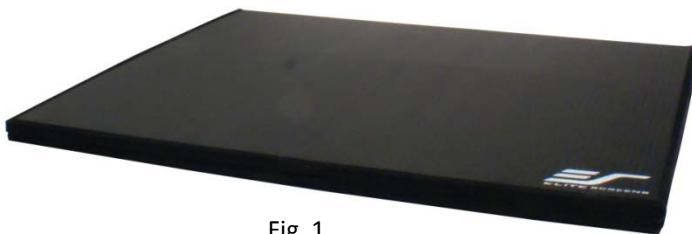

Failure to comply will result in voiding your warranty.

Avoid using any chemical compounds or harsh abrasives which will result in permanently damaging the screen material.

- ⚠ USE ONLY a soft non-abrasive cloth with mild soap and water to clean the screen material
- ⚠ DO NOT rub the cloth with force when cleaning to avoid permanently scratching the surface
- ⚠ DO NOT touch the screen surface with sharp objects
- ⚠ USE ONLY a soft feathered brush to remove dust
